DEEKAY ASSOCIATES

Deals in : Electrical, Electronics, Instrumentation Equipments.

Sales, Project & Service

Key of Solution

Dear Sir/Madam

We, DEEKAY ASSOCIATES, are one stop Engineering Solution Provider for all kind of Electricals, Electronics & Instrumentation items. Since our inception, from the year 2001 we have emerged as a leading solution provider & trading house.

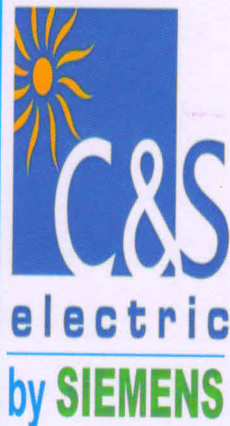

We have a group of Technical Experts who have experience in undertaking complete turnkey jobs from concept to handover - covering Design & Drawing, Manufacturing, Application Specific Software Development, Erection & Commissioning, Design Validation, Training & Services.

Also helping manufacturers succeed and grow is what we do best-with industrial automation and control solutions designed to give our customers a competitive advantage.

With All Other Makes...

Together, we can save energy and improve productivity.

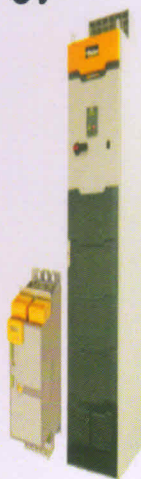

AC 30V series
General purpose high performance
AC drives
0.75 to 90kW

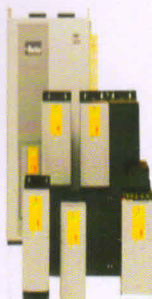

AC 10 series
Variable frequency Micro
AC drives
0.2 to 22kW

AC 690 series
Integrator Series Advanced
AC drives
0.75 to 1500kW

AC 890 Series
High Power Modular
AC drives
0.75 to 2000kW

DC 590 series
Integrator Series 2
DC drives
0.75 to 1500kW

With forty years of experience in the design and manufacture of drive modules and systems, Parker has the expertise to work with you to identify areas of machine and process improvement thereby also helping you achieve better energy efficiency and ultimately higher plant productivity. Parker's wide range of highly innovative, easy to use, global range of **AC Variable Frequency Drives and DC Digital & Analogue Drives** from fractional kW to 2000kW, are just the right solution for all your Motor speed and torque control needs. So, relax and let Parker take control of your machines and your wallet....

StanvacTM
STANVAC CHEMICALS INDIA LTD.

STANVAC - SUPERON GROUP

SUPERON

Stanvac Chemicals

Involved in the sale of industrial protection, maintenance and repair coatings. Over the years, Stanvac has established itself as the leading industrial service provider in the country with over 7000 customers and 300 distributors catering to the steel, energy, cement and pharma industries.

Superon Schweisstechnik

Is involved in the manufacturing and distribution of welding consumables with over 6000 retailers all across India.

Stanvac Prime

Involved in the manufacture and distribution of personal and home care products, disinfectants and cleaners. Prime has over 3000 retailers pan-india.

Stanvac Paints

Decorative paints and coatings for home and institutions. It currently has over 200 depots across India.
